### NEW AS STANDARD

**Central bed lockers** - now in the form of two smaller lockers rather than one large one).

Offering two width, two height and three length options, the widest being the same as an HGV transporter, the **Race Transporter 6** is capable of transporting wide race and sports cars. Additional space is invaluable for creating a useful working environment for daily transport operations and creates a capable work facility for small teams at race meetings.

Along with a high standard specification, the range and scope of options for storage as well as operational features will appeal to anyone who has specific requirements.

**Race Transporter 6** chassis design has wheels under the bed with a fully flat floor up to the sides. To manage bed height and maintain a low centre of gravity **Race Transporter 6** has Tri-axle running gear with 10" wheels and low profile tyres, 6.5m bed length models feature a 13" low profile tyre for extra durability.

**Race Transporter 6** features a full LED trailer lighting system, this includes three LED interior strip lights providing excellent ambient light effect.

## QUALITY

Brian James Trailers are manufacturers of class leading trailers, since 1979. When you buy a Brian James Trailer you can be absolutely certain that it is designed and constructed to the highest possible standards. Our Engineers combine top-quality craftsmanship with the best materials and first-class presentation. Light but strong, our trailers are crafted to enhance safety, efficiency and durability.

## 5 Year Chassis Warranty

This Brian James Trailer is provided to you with a non-transferable manufacturers warranty covering the integrity of the chassis for a period of 5 years from the date of first registration.

We warrant that under normal use, outside of accident damage or misuse (meaning driven across unsuitable territory or being overloaded) the chassis will not fatigue or fail to be able to perform its intended duties safely.

Any repair or rectification as a result of a claim under this warranty will be at Brian James Trailers cost and be carried out either at a Brian James Trailers main dealer, or at the factory HQ in Daventry, UK, at the discretion of Brian James Trailers Ltd. A repair may involve removal of the original galvanised surface finish, for which we will not liable to reinstate to its original state.

Brian James Trailers will not be liable for any consequential loss in connection with a claim on this warranty, including recovery fees or transport to or from the place of final repair.
